

David A. Casavant, CFM LEED AP

Mr. Casavant is recognized as one of the world's leading safety and compliance experts and in a typical year he speaks to over 3,000 people on health, safety, compliance and preparedness topics.

His techniques and strategies make him a sought after instructor in over 15 countries including the United States, Canada, Mexico, Singapore, Malaysia, Thailand, Saudi Arabia, UAE, Netherlands and the U.K.

Mr. Casavant serves as compliance trainer at the Workplace Safety Awareness Council, a 501 (c)(3) not for profit organization dedicated to increasing employee health and safety in the workplace. His organization offers compliance consultations, webinars and OSHA Bootcamp seminars to employees and employers hoping to become OSHA compliant and better protect the workforce.

Over the past three years, the Workplace Safety Awareness Council was awarded a training grant for the U.S. Department of Labor to help the public better understand OSHA's complicated health & safety regulations.

In 2003 David was awarded IFMA's "Distinguished Author" designation at World Workplace in Dallas Texas for his book entitled "Emergency Preparedness for Facility Managers – A Guide to Business Continuity and Safety Planning".
