Foliage Design Systems Wins International Award!

Foliage Design Systems of Atlanta recently won an International Award from AmericanHort’s Plantscape Awards program for a massive living wall installed and maintained in Ravinia 3, an 800,000+ square foot class A office building in the Atlanta suburbs. This 2,300 square foot signature lobby statement includes over 15,000 plants and requires 3 different pieces of access equipment to be properly maintained.

AmericanHort is a national association representing the entire horticulture industry, including breeders, greenhouse and nursery growers, retailers, distributors, interior and exterior landscapers, florists, students, educators, researchers, manufacturers, and all of those who are part of the industry market chain. The AmericanHort awards programs recognize exceptional professionals within the horticulture industry and celebrate their contributions to horticulture.
