Position Vacancy Announcement

Position: Maintenance Service Worker II: Bldgs. South Lake
Salary: $27,000-$31,000 Based on Education and Experience
Date: April 1, 2019
Posting No. 999766
Deadline: May 1, 2019 at 5pm

TO APPLY: Go to www.lssc.edu and click on the “Employment” icon. Complete the Lake-Sumter State College application for the specific position in which you are interested.

A resume, cover letter and unofficial transcripts must be included with your application for consideration.

Lake-Sumter State College serves over 7,500 students annually in Lake and Sumter counties in central Florida. Lake and Sumter counties offer its residents small-town character, combined with the amenities of the major metropolitan city of Orlando while being just a stone's throw away from Florida’s coastal beaches. As a three-campus institution our Leesburg, South Lake (Clermont) and Sumter (Sumterville) campuses have become valuable assets in their communities. LSSC provides an accessible, affordable, and high-quality education that prepares students for transfer and career success, strengthens the regional workforce, and enriches the community.

We invite candidates to apply for our Maintenance Service Worker II: Bldgs. South Lake. The Service Worker duties include the maintenance and care of College facilities and assets. Will perform repairs and installations, maintain a general maintenance upkeep involving structures, furnishings, equipment, floor coverings, acoustical ceiling, plumbing, heating, air conditioning, electrical, and related systems. Additionally, the Service Worker will perform preventive maintenance inspections and services on College equipment as assigned. On a monthly basis will detail and inspect vehicles, golf carts, and other equipment. The Service Worker will update the status of work orders and the completions of assigned work orders through the College work order system. Responsible for demonstrating LSSC’s core value of Service Excellence; respect, competence, responsiveness, and collaboration, in all interactions.

QUALIFICATIONS: EDUCATION: Graduation from an accredited high school or possession of an acceptable equivalency diploma. 
EXPERIENCE: Two (2) year experience in providing building maintenance or general building repair services to an institutional or similar level.

The college reserves the right to extend searches or, in the event of transfer or budget cuts, to not offer the position.
