Become a Certified Energy Manager

Get Certified in the Sunshine State - October 28-31!

Objectives of the CEM certification:
· To raise the professional standards of those engaged in energy management
· To improve the practice of energy management by encouraging energy managers in a continuing program of professional development
· To award special recognition to those energy managers who have demonstrated a high level of competence and ethical fitness for energy management

Course Instructor: Richard Costello PE, BSME, CEM, MSEM
Course Location: University of Central Florida, Nike Bldg #101 Programming Center, 3740 Libra Drive, Orlando FL 32816

Cancellation Policy

Payment (in full) must be received by September 21st in order to guarantee your seat in the course. If you are unable to attend the course, you may substitute another person in your place without penalty, though if this is done prior to the CEM application filing – 30 days prior to the start of the seminar — the substitute will still be responsible for paying the CEM application fee of $400.

All cancellations must be communicated to AEE – Florida Sunshine Chapter in writing. Registrations cancelled after September 21st, 2019 will be assessed the full registration fee and no refund will be made.

Should the course be cancelled because of weather, illness or any other reason, all registrants will be notified as early as possible and our liability will be limited to the return of the registration fee.
