Richard Bodwell started his career in the late 1980’s working in the warehouse and eventually the offices of the Tampa based mechanical contractor. During his 25 plus year career in the HVAC industry Richard learned the business from the ground up. Most of his career has been spent running operations and sales.

In 2003 Richard started ISS Mechanical in Orlando, FL. ISS Mechanical specializes in the service, maintenance and replacement of Commercial and Industrial air conditioning, building automation, process cooling, mission critical and refrigeration equipment. ISS quickly became recognized as a quality service provider in Central Florida. The company currently employs over 20 service technicians.

On January 1, 2016 Richard Bodwell acquired Control Systems Specialists, Inc. in Tampa. CSSI is the Alerton authorized dealer for Central Florida. The acquisition of CSSI has expanded the knowledge and resources available to the ISS employees and client base.

Richard Bodwell is a LEED AP specializing in Operations and Maintenance and holds a Florida State Mechanical License. He is an active member of The Synergy Group, ASHRAE, US Green Building Council, Associated Builders and Contractors and Air Conditioning Contractors of America. He has been married for 15 years and has 3 children.
